

How Deep is your love

David Hasselhoff

You know your eyes in the morning sun
I feel you touch me in the pouring rain
And the moment that you wander far from me
I wanna feel you in my arms again
And you come to me
On a summers breeze
Keep me warm in your love
Then you softly leave
And it's me you need to show

How deep is your love
I really need to learn

`Cause we're living in a world of fools
Breakin' us down
When they all should let us be
We belong to you and me

You know the door to my very soul
You're the light in my deepest darkest hour
You're my saviour when I fall
And you may not think I care for you
When you know down inside that I really do
And it's me you need to show

How deep is your love
I really need to learn

`Cause we're living in a world of fools
Breakin' us down
When they all should let us be
We belong to you and me

You know your eyes in the morning sun
I feel you touch me in the pouring rain
And the moment that you wander far from me
I wanna feel you in my arms again
And you come to me
On a summers breeze
Keep me warm in your love
Then you softly leave
And it's me you need to show

How deep is your love
I really need to learn
