

How Deep is your love

David Hasselhoff

You know your eyes in the morning sun
I feel you touch me in the pouring rain
And the moment that you wander far from me
I wanna feel you in my arms again
And you come to me
On a summers breeze
Keep me warm in your love
Then you softly leave
And it`s me you need to show

How deep is your love
I really need to learn

`Cause we`re living in a world of fools
Breakin` us down
When they all should let us be
We belong to you and me

You know the door to my very soul
You`re the light in my deepest darkest hour
You`re my saviour when I fall
And you may not think I care for you
When you know down inside that I really do
And it`s me you need to show

How deep is your love
I really need to learn

`Cause we`re living in a world of fools
Breakin` us down
When they all should let us be
We belong to you and me

You know your eyes in the morning sun
I feel you touch me in the pouring rain
And the moment that you wander far from me
I wanna feel you in my arms again
And you come to me
On a summers breeze
Keep me warm in your love
Then you softly leave
And it`s me you need to show

How deep is your love
I really need to learn
