Let It Be Me

David Hasselhoff

God I bless the day I found you
I want to stay around you
Now and forever
Let it be me

So never leave me lonely
Say that you love me only
Now and forever
Let it be me

Each time we meet love
I find complete love
Without your sweet love
What would life be

So never leave me lonely
Tell me you love me only
And that you`ll always
Let it be me
