

Lonely Is The Night

David Hasselhoff

Really tho't that I could live without you
Really tho't that I could make it on my own
Send you away ya I said I didn't need you
I let you go, I let you go, I let you go
Now I'm so lost without you
Now you're not here and now I know

Lonely is the night when I'm not with you
Lonely is the night and there ain't no light shining through
Til you're in my arms til you're here by my side
Lonely am i

Never tho't that I that I would need you
Never tho't that I that I'd be missin you
Gotta get you back
I just got to find a way now
To let you know, to let you know, to let you know
That I'm so lost without you
And now this world just ain't right

Lonely is the night when I'm not with you
Lonely is the night and there ain't no light shining through
Til you're in my arms til you're here by my side
Lonely am i

I can make it through the day
I can fake it okay
I just smile and pretend
And I tell myself it's alright
But lonely is the night
Lonely is the night

Lonely is the night when I'm not with you
Lonely is the night and there ain't no light shining through
Til you're in my arms til you're here by my side
Lonely am i

Lonely is the night when I'm not with you
Lonely is the night and there ain't no light shining through
Til you're in my arms til you're here by my side
Lonely am i...
