

# Lonely Is The Night

David Hasselhoff

Really tho't that I could live without you  
Really tho't that I could make it on my own  
Send you away ya I said I didn't need you  
I let you go, I let you go, I let you go  
Now I'm so lost without you  
Now you're not here and now I know

Lonely is the night when I'm not with you  
Lonely is the night and there ain't no light shining through  
Til you're in my arms til you're here by my side  
Lonely am i

Never tho't that I that I would need you  
Never tho't that I that I'd be missin you  
Gotta get you back  
I just got to find a way now  
To let you know, to let you know, to let you know  
That I'm so lost without you  
And now this world just ain't right

Lonely is the night when I'm not with you  
Lonely is the night and there ain't no light shining through  
Til you're in my arms til you're here by my side  
Lonely am i

I can make it through the day  
I can fake it okay  
I just smile and pretend  
And I tell myself it's alright  
But lonely is the night  
Lonely is the night

Lonely is the night when I'm not with you  
Lonely is the night and there ain't no light shining through  
Til you're in my arms til you're here by my side  
Lonely am i

Lonely is the night when I'm not with you  
Lonely is the night and there ain't no light shining through  
Til you're in my arms til you're here by my side  
Lonely am i...
