

# One And One Make Three

David Hasselhoff

Standing with you on this day  
I take your hand and feel you shaking  
Our new life will soon begin  
Starting with these vows we're taking  
Friends and loved ones gather round  
So much joy I can hardly bear it  
And suddenly it dawned on me  
One day we'll have someone to share it

One and one make three  
It's so right that it should be  
A part of both our lives  
I can see it in your eyes  
A little boy or girl  
Will be so welcome in our world  
We'll be a family  
When one and one make three

Lying here so safe and warm  
Midnight shadows on the ceiling  
Laughing softly in the dark  
Then all at once here comes that feeling  
Making love seems different now  
Something that will last forever  
My darling as I come to you  
I know why God put us together

One and one make three  
It's so right that it should be  
A part of both our lives  
I can see it in your eyes  
A little boy or girl  
Will be so welcome in our world  
We'll be a family  
When one and one make three

One and one make three  
It's so right that it should be  
A part of both our lives  
I can see it in your eyes  
A little boy or girl  
Will be so welcome in our world  
We'll be a family  
When one and one make three

Welcome to the world Taylor Ann
