

# These Boots Are Made For Walking

David Hasselhoff

You keep saying you got something for me  
Something you call love, but confess  
You've been messing where you shouldn't been messing  
And someone else is getting all your best

These boots are made for walkin'  
That's just what they'll do  
One of these days these boots are gonna walk all over you

You keep lying when you oughta be truthin'  
You keep loosing when you oughta not bet  
You keep saming when you oughta be changin'  
What's right is right,  
But you ain't been right yet

These boots are made for walkin'  
And that's just what they'll do  
One of these days these boots are gonna walk all over you

You keep playing where you shouldn't be playing  
You keep thinking that you'll never get burned  
But I just found me a brand new batch of matches  
And what she knows  
You ain't had time to learn

These boots are made for walkin'  
And that's just what they'll do  
One of these days these boots are gonna walk all over you

Are ya ready boots?  
Hasta la vista, Baby  
Hey wait, come back here...  
Bye bye  
We are not done talking here, hey where you going?  
See ya, I'm outta here  
Man!
