True Survivor

Action! (Action!)

If we're gonna make it like a true survivor

If we wanna take our love away from here

We need some action! (Action!)

David Hasselhoff

Dominos falling Riot in the streets Baby this time there's no retreat There's no surrender A devil is rising A shadow from the past Feeding the flames with fire On the edge of fury All the time Running in and out of time Hear the ticking on the countdown clocks tonight Go we need some, go we need some action! If we're gonna make it like a true survivor We need some action! If we wanna take our love away from here We need a living passion To believe in Burning hearts and a brand new feeling Action! If we're gonna make it like a true survivor Calling from the ashes The phoenix rise again Fighting for life For good for all that we believe in Go we need some, go we need some action! If we're gonna make it like a true survivor We need some action! If we wanna take our love away from here We need a living passion To believe in Burning hearts and a brand new feeling Action! If we're gonna make it like a true survivor The hero stands alone When all is said and done The enemies have fallen one by one All the time Running in and out of time Hear the ticking on the countdown clocks tonight Go we need some, go we need some action! Action! (Action!)

We need a living passion
To believe in
Burning hearts and a brand new feeling
Action! (Action!)
If we're gonna make it like a true survivor

True survivor, whoa oh
True survivor, oh!
True survivor, true survivor
