

# Make This Church Your Home

David Hodges

Jesus we come to you  
Praying that you'd bless our worship  
In ways only you can do  
Hearing us in this place  
Open our eyes to your glory  
Fill us with the power of your grace  
For we long for your embrace

And Jesus come and make this church your home  
Father come and lead us to your throne  
Spirit may we trust in you alone  
Jesus make this church your home

Bowing before your throne  
Offering praise to our maker  
Giving thanks to you alone  
With hands lifted to the sky  
Rain down your mercy upon us  
Showering our lives  
From on high  
Oh lord, hear our cry

And Jesus come and make this church your home  
Father come and lead us to your throne  
Spirit may we trust in you alone  
Jesus make this church your home

And Jesus come and make this church your home  
Father come and lead us to your throne  
Spirit may we trust in you alone  
Jesus make this church your home  
Jesus make this church your home...
