

# Love Reign Over Me

David Holmes

This is what you mean to me  
I close my eyes, so I can't see  
And let your love reign down on me

You are as far as I can see,  
You're everything I've always wanted to be,  
I can't breathe, I can't rest in sleep  
That you'll let your love reign over me.

This is what you do to me,  
I close my eyes, so I can't be.  
And with your love reign down on me.

You are as far as I can see,  
You're everything I've always wanted to be,  
I can't breathe, I can't rest in sleep  
That you'll let your love reign over me.

You are as far as I can see,  
You're everything I've always wanted to be,  
I can't breathe, I can't rest in sleep  
That you'll let your love reign over me.
