## **Before You Travel On (Lonesome Road)**

## **David Houston**

Ah look down look down that lonesome road before you travel travel on

Look up look up and seek your maker before Gabriel blows his ho

Now I'm weary totin' such a load travelin' down that lonesome road

Look down look down that lonesome road before you travel travel on

True love true love what have I done that you should treat me t reat me so

Well you caused me to walk and talk like I've never done before Now I'm weary totin'...

Ah look down look down that lonesome road before you travel travel on

Ah look down look down that lonesome road before you travel travel on

Ah look down look down that lonesome road before you travel travel on
