

# Bridge Over Troubled Water

David Houston

When you're weary feeling small when tears are in your eyes I will dry them all  
I'm on your side when times get rough and friends just can't be found  
Like a bridge over troubled water I will lay me down  
Like a bridge over troubled water I will lay me down  
When you're down and out when you're on the street  
When evening falls so hard I will comfort you  
I'll take your part when darkness comes and pain is all around  
Like a bridge over troubled water I will lay me down  
Sail on silver girl sail on by your time has come to shine  
All your dreams are on their way  
See how they shine if you need a friend I'm sailing right behind  
Like a bridge over troubled water I will ease your mind  
Like a bridge over troubled water I will ease your mind I will ease your mind
