

I Do My Swinging At Home

David Houston

Nobody loves a drink anymore than me I might buy a round or two
or three
And I've been known to stumble and hit the floor
Oh but I'm never too drunk to make it to the door

Red wine can start my head a swimmin' but I draw the line when
it comes to women
I never met a woman that could make me roam and I do my swingin
g at home
She gives me more love better love sweeter love true love and t
hat's where I belong
I might do a lotta talking but soon you'll see me walking
Cause I do my swinging at home

She gives me more love better love sweeter love true love and t
hat's where I belong
I might do a lotta talking but soon you'll see me walking
I do a lotta swinging a lotta love song singing but I do my swi
nging at home
