I Remember You

David Houston

I remember you, you're the one Who made my dreams come true A few kisses ago

I remember you, you're the one Who said I love you too Didn't you know?

I remember too A distant bell and stars That fell like rain out of the blue

When my life is through
And the angels ask me to recall
The thrill of them all

Then I will tell them
I remember you
I remember too a distant bell
