

## Long Lonesome Highway

David Houston

Goin' down that long lonesome highway bound for the mountains and the plains

Sure ain't nothin' here gonna tie me and I got some friends I like to see again

One of these day I'm gonna settle down but till I do I won't be hangin' round

Goin' down that long lonesome highway gonna live life my way

One of these day I'm gonna settle down...

Goin' down that long lonesome highway gonna live life my way
