## **Misty Blue**

## **David Houston**

Oh it's been such a long long time looks like I'd get you off m y mind

Oh but I can't just the thought of you turns my whole world a m isty blue

Just the mention of your name turns the flicker to a flame I think of things we used to do then my whole world turns misty blue

I should forget you heaven knows I've tried But when I say I'm glad we're through my heart knows I lie Oh it's been such a long long time...

Oh but I can't just the thought of you turns my whole world a m isty blue
