My Love

David Houston

My love is warmer than the warmest sunshine softer than a sigh My love is deeper than the deepest ocean wider than the sky My love is brighter than the brightest star that shines every n ight above $\begin{array}{c} \text{My love is brighter than the brightest star that shines every n} \\ \text{My love is brighter than the brightest star that shines every n} \\ \text{My love is brighter than the brightest star that shines every n} \\ \text{My love is brighter than the brightest star that shines every n} \\ \text{My love is brighter than the brightest star that shines every n} \\ \text{My love is brighter than the brightest star that shines} \\ \text{My love is brighter than the brightest star that shines} \\ \text{My love is brightest star that shines}$

And there is nothing in this world that can ever change my love

Something happened to my heart the day that I met you Something that I never felt before You are always on my mind no matter what I do And every day it seems I want you more My love is warmer...

Once I thought that love was meant for anyone but me Once I thought you'd never come my way

Now it only goes to show how wrong we all can be

For now I have to tell you every day

My love is warmer...
