## **Once A Day**

## **David Houston**

Once a day all day long and once a night from dusk till dawn The only time I wish you weren't gone is once a day every day a ll day long

When I found somebody new I thought I never would Forget you for I thought then I never could But time has taken all the pain away until now I'm down to hurt in' once a day Once a day all day long...

I'm so glad that I'm not like a friend I knew one time
He lost the one he's loved then slowly lost his mind
He sat around and cried his life away lucky me I'm only crying
once a day
Once a day all day long...
Once a day every day all day long
