

# You Mean The World To Me

David Houston

Daylight comes and bluebirds sing  
And outside the grass is green  
But I don't care if sun shines or it rains  
'Cause I'm happy as I can be  
As long as you will stand by me

And nothing beside of heaven can make me change  
'Cause you you mean all the world to me

You start my day with one sweet kiss  
You keep my world turnin' with tenderness  
And you always say the right things when I'm blue  
When dark clouds gettin' to cover my sky  
And temptation looks me straight in the eye  
It all disappears when you say I love you

'Cause you you mean all the world to me  
You you mean all the world to me you you
