

## Day In, Day Out

David Kersh

This ol' world's gone crazy  
My life's livin' proof  
Always runnin' around no time to slow down  
I don't know what I would do  
If I didn't have you

Day in, day out  
And every night from dusk till dawn  
This world spins 'round  
And girl you keep me hangin' on  
When the winds of doubt are blowin'  
Your love keeps me goin'  
Some how  
Day in, day out

I get so worn out and worried  
Keepin' up this pace  
But you ease my mind every time  
I get caught up in the race  
You're my savin' grace

Day in, day out  
Day in, day out  
Day in, day out
