

Day In, Day Out

David Kersh

This ol' world's gone crazy
My life's livin' proof
Always runnin' around no time to slow down
I don't know what I would do
If I didn't have you

Day in, day out
And every night from dusk till dawn
This world spins 'round
And girl you keep me hangin' on
When the winds of doubt are blowin'
Your love keeps me goin'
Some how
Day in, day out

I get so worn out and worried
Keepin' up this pace
But you ease my mind every time
I get caught up in the race
You're my savin' grace

Day in, day out
Day in, day out
Day in, day out
