

# Hello Walls

David Kersh

Hello walls, how'd things go for you today?  
Don't you miss her since she up and walked away?  
And I'll bet you dread to spend another lonely night with me  
But lonely walls, I'll keep you company

Hello window, well, I see that you're still here  
Aren't you lonely since our darlin' disappeared?  
Well, look here, is that a teardrop in the corner of your pane?  
Now don't you try to tell me that it's rain

She went away and left us all alone the way she planned  
Guess we'll have to learn to get along without her if we can

Hello, ceilin', I'm gonna stare at you a while  
You know I can't sleep, so won't you bear with me a while?  
Now we must all pull together or else I'll lose my mind  
I've got a feelin' she'll be gone a long, long time

She went away and left us all alone the way she planned  
Guess we'll have to learn to get along without her if we can

Hello ceilin', I'm gonna stare at you a while  
You know I can't sleep, so won't you bear with me a while?  
Now we must all pull together or else I'll lose my mind  
I've got a feelin' she'll be gone a long, long time  
I've got a feelin' she'll be gone a long, long time
