

# The Need

David Kersh

I spent my life trying to avoid it  
I always said it was wrong for me  
A sign of weakness, that's how I saw it  
And weak was something I didn't want to be

It wasn't love I was runnin' from  
I was just afraid to need someone  
Now it feels so good to feel

The need to trust somebody  
And open up my heart  
The need to share my secrets  
Down to the deepest part

I can give, I can take  
Now it's okay to say  
That sometimes I feel weak  
When you're the reason for the need

You had the strength to cry on my shoulder  
You weren't ashamed to lean on me  
The honesty kept drawing us closer  
And I saw how easy reaching out could be

You showed me love's not about control  
Holding on to you is how I let go  
And it feels so good to feel

The need to trust somebody  
And open up my heart  
The need to share my secrets  
Down to the deepest part

I can give, I can take  
Now it's okay to say  
That sometimes I feel weak  
When you're the reason for

The need to trust somebody  
And open up my heart  
The need to share my secrets  
Down to the deepest part

I can give, I can take  
Now it's okay to say  
That sometimes I feel weak  
When you're the reason for  
The reason for the need
