## I Like It Already

## **David Lee Murphy**

She slid across the front seat and said, "Come on baby let's go " She rolled down the windows and cranked up the radio She said, "When I'm with you honey I feel defenseless" Oh and that kinda talk can drive a man senseless I'm just doin' my best to keep my heart steady I think I'm in love and I like it already With one hand on the wheel and the other one losin' control I was tickin' like a time bomb tryin' to keep the car on the ro ad Yeah she had my mind in such a sweet commotion I was gettin' all kinds of serious notions

I'm just doin' my best keep my heart steady I think I'm in love and I like it already

Yeah I like it already (I like it already) Oh I like it a lot (I like it a lot) I like it already (I like it already) Oh and I don't want it to stop

Oh something real good is happenin' to me And I'm beginnin' to see the possibilities Hey from here on out the sky's the limit She's got me holdin' on from minute to minute I'm just doin' my best to keep my heart steady I think I'm in love and I like it already

Yeah I like it already (I like it already) Oh I like it a lot (I like it a lot) I like it already (I like it already) Oh and I don't want it to stop

I'm just doin' my best to keep my heart steady I think I'm in love and I like it already Hey I'm just doin' my best to keep my heart steady I think I'm in love and I like it already Hey I'm a likin' it Hey I like it already Yeah I like it already Hey I like it already Hey yes I do
