

## A Lil' Ain't Enough

David Lee Roth

Empty pockets never stopped  
Me from singing a blue streak, no  
And I don't think the devil's  
Ever gonna give me back  
I don't think so!

'Cause stayin' 'round here takes patience  
It's like a full time occupation  
I've become a diplomaniac  
Yes I did, baby  
Hey mean old gal  
You know the cross-town bus just rolled  
Yeah I'm the same old number  
But we still got time to go

Oh I say mama living ain't a luxury  
Oh I say mama and a lil' ain't enough for me  
No it ain't, no it ain't baby!  
Yeah I'm believing that you needin' yo relaxation  
But honey tell me can you tell that story twice?  
I don't think so mama!

'Cause there's a function at the junction,  
I think ya better get it all ready girl  
See I was born without a silver spoon But I'm gonna make a stir  
Yes I am!  
Was vaccinated with a phonograph needle  
One summer break; and then I kissed her  
On her daddy's boat and shot across the lake  
And was singin' it

Oh I say mama living ain't a luxury  
Oh I say mama and a lil' ain't enough for me  
No it ain't baby, no it ain't!  
Mmmm, said a little ain't enough, baby!  
Baby, please!! Little ain't enough, aw yeah, wow!  
Was vaccinated with a phonograph needle  
One summer break Same summer that I kissed her  
On her daddy's boat and shot across the lake yeah!

Oh I say mama living ain't a luxury  
Oh I say mama and a lil' ain't enough for me  
Oh I say mama living ain't a luxury  
Oh I say mama and a lil' ain't enough for me
