## Blacklight

## **David Lee Roth**

Baby, somehow you seem to glow, woah Take me where history unfolds, woah Blacklight Blacklight I have a blacklight It makes her radiant I love my blacklight My girl's fluorescent Summer of love One you might have missed Peace, love and harmony At a flick of my switch Blacklight Blacklight I have a blacklight It makes her radiant I love my blacklight My gal's fluorescent Foxy lady Comin' to getcha I have a blacklight It makes her radiant I love my blacklight My gal's fluorescent I love my blacklight, oh I love my blacklight, woah yeah
