

I'm Easy

David Lee Roth

Well, baby, I'm easy, I'm easy, I'm easy, I'm an easy man
Well, baby, I'm easy, I'm easy, I'm easy, I'm an easy man
So come on down and get me, honey, while you can

Available, available, available, I am free, I am
Available, available, available, I am free, I am
Well, I just can't help myself, I am yours to have

Come get me, baby
Get me while I'm hot
Hurry, hurry, baby
You can have a lot

Push me over, push me over, push me over, I'm a pushover
Oh, up for grabs, up for grabs, up for grabs, I am up for grabs
Well, I just can't help myself, I am yours to have, hit it

Come get me, baby
Get me while I'm hot
Hurry, hurry, baby
You can have a lot

Push me over, push me over, push me over, I'm a pushover baby,
yeah
Up for grabs, up for grabs, up for grabs, I am up for grabs, oh
I just can't help myself, I am yours to have

I'm easy
Said I'm easy
Lord, I'm easy
Oh I'm a pushover, baby yeah
Push me over, push me over
