Lose The Dress (Keep The Shoes)

David Lee Roth

I respect your intellect More impressive still Are you sporting skills Do i detect Integrity and self-respect? Cool

Now lose the dress, keep the shoes So what you're saying could be true

All the world's a molecule A little atom contained within The thumbprint of a greater being I wish i may i wish i might And with any luck I will tonight But before we do

Come here you Lose the dress, keep the shoes Lose the dress, keep the shoes Lose the dress
