

Soul kitchen

David Lee Roth

The Doors cover
Well the clock says it's time to close now
I guess I'd better go now
I'd really like to stay here all night
The cars crawl past all stuffed with eyes
Street lights share their hollow glow
Your brain seems bruised with numb surprise
Still one place to go
Still one place to go

Let me sleep all night in your soul kitchen
Warm my mind in your gentle stove
Turn me out and I'll wander baby
Stumblin' in the neon groves

Well, your fingers weave quick minuets
Speak in secret alphabets
I light another cigarette
Learn to forget
Learn to forget
Learn to forget
Learn to forget

Let me sleep all night in your soul kitchen
Warm my mind in your gentle stove
Turn me out and I'll wander, baby
Stumblin' in the neon groves

Yo, kimosabe
Here's some stuff that'll take you to the spirit world
Oh yeah

Well the clock says it's time to close now
I know I'll have to go now, let's go, let's go
I really wanna stay here all night
All night

Let me sleep all night in your soul kitchen
Warm my mind in your gentle stove
Turn me out and I'll wander, baby
Stumblin' in the neon groves
