

# Tight

David Lee Roth

From New York City to East L.A.  
Touchdown Miami, Philadelphia, PA  
Look out your window, hang up the phone  
Honey, run tell everyone that band is on the radio

So if you gonna wear my t-shirt  
You gotta make the choice  
Jump on daddy's speakers  
You will feel my voice

Jump back with your heart attack  
I'm what my daddy said I'd never be  
So tell the folks at home  
I'm making history

'Cause this band is tight  
And we can rock all night  
Yeah, so damn tight  
Tight, all right

They're on the TV, the stereo  
They're on the internet  
Man, that band can really go  
Right from the apple to East L.A.  
Touchdown Miami, Philadelphia, PA

No, it doesn't get much better  
I was a face in the mob  
So if you're lookin' for adventure  
Well, you should try my job

Jump back with your heart attack  
I'm what my daddy said I'd never be  
So tell the folks at home  
I'm making history

'Cause this band is tight  
And we can rock all night  
Yeah, so damn tight  
Tight, look out

And all those rock 'n' rollers  
I used to wanna meet?  
Now they're pushing strollers  
And wanna be me

'Cause my band is tight  
And we can rock all night  
Yeah, so damn tight, woah  
Tight, look out

Tight  
Tight  
Tight, woah
