

# Yankee Rose

David Lee Roth

What?  
Well, let me roll up on to the sidewalk and take a look, yes  
Whoa! She's beautiful!  
I'm talking about a Yankee Rose  
Ha ha ha ha ha  
And she looks wild, wild, wild, wild!

Are you ready for the new sensation?  
Well, here's the shot heard 'round the world  
All you back room boys salute when her flag unfurls  
Well, guess who's back in circulation  
Now, I don't know what you may have heard  
But what I need right now's the original good time girl

She's a vision from coast to coast (coast to coast)  
Sea to shining sea (sea to shining sea)  
Hey sister, you're the perfect host (care to toast)

Show me your bright lights  
And your city lights, all right  
I'm talkin' 'bout the Yankee Rose, yeah  
Your bright lights  
And your city lights, all right  
I'm talkin' 'bout it

When she walks, watch, the sparks will fly  
Firecrackin' on the fourth of July  
No sad songs tonight, somethin's in the air  
Yeah, the feeling getcha, wow

A real state of independence  
So pretty when her rockets glare  
Still prove it any night that her flag's still there

She's a vision from coast to coast (coast to coast)  
Sea to shining sea (sea to shining sea)  
Hey sister, you're the perfect host (make a toast)

Show me your bright lights and your  
City lights, all right  
I'm talkin' 'bout the Yankee Rose, yeah  
Bright lights in your  
City lights, all right  
I'm in love with the Yankee Rose

Ah, she's beautiful, alright  
Mmm, nothin' like her in the whole world  
Yeah

She's right on time  
I'm on the case  
Pick up the phone  
No time to waste  
She got the beat  
And here's a little bit comin' your way, wow

Aah, raise 'em up there, let's see who salutes, baby

Yeah, yeah, yeah, yeah, yeah  
Little bit, little bit, little bit higher  
Here's the national anthem, here  
I wanna get a little bit a' apple pie, man

Bright lights, city lights  
Bright lights, city lights  
Bright lights, city lights
