

# You got the blues not me

David Lee Roth

Well, I'm tired of been a fool  
And my mind goes hot to cool  
And I'm tryin' to conform to other's ideas  
And somebody else's rules

The life I'm livin' ain't mine  
I'm supposed to feel that's fine  
I didn't make the world I'm livin' in  
Ah, ain't gonna tow the line

I'm tired of tryin' to be someone I know ain't me  
I'm tired of livin' up to what people expect me to be  
You know some people are different, now ain't that a cryin' sha  
me  
Now wouldn't it be a real drag if we were all the same?

And I'm not gonna try to please  
Eyes that just don't see  
If I get myself together  
Well, you'll have the blues, not me

Wow, go go  
Here we go  
Ah-wow- yeh

I'm tired of tryin' to be someone I know ain't me  
I'm tired of livin' up to what people expect me to be  
You know some people are different, now ain't that a cryin' sha  
me  
Now wouldn't it be a real drag if we were all the same?

And I'm not gonna try to please  
Eyes that just don't see  
If I get myself together  
Well, you'll have the blues, not me

You'll have the blues, not me  
You'll have the blues, not me  
You'll have the blues, not me  
You'll have the blues  
Not me baby
