

# Noah's Ark

David Lynch

I know a song  
I know a, know a s, know a s, know a song  
I know a song  
I know a, know a s, know a s, know a song  
To sing,  
On this dark night.  
On this dark, dark, dark, dark, dark night  
On this dark night.  
On this dark, dark, dark, dark, dark night

It's the song..  
of love.  
It's the song..  
of love.  
It's the song..  
of love.  
I know a song  
I know a, know a s, know a s, know a song  
I know a song  
I know a, know a s, know a s, know a song  
to sing.  
On this dark night  
On this dark, dark, dark, dark, dark night  
On this dark night  
On this dark, dark, dark, dark, dark night

It's the song..  
of love.  
It's the song..  
of love.  
It's the song..  
of love.
