

She Rides Away

David Nail

Sunset on the chapel, when I close my eyes I see her and she's
prayin'
Ripples in the holy water, kneelin' in the light that is fadin'
Askin' for forgiveness cause she knows that it is me that she i
s breakin'
Angel flyin' with my heart

She rides on the edge of no tomorrow in a rusty El Camino
She flies as wild as the wind on the border of Laredo
She rides away
Questions in the dark
She rides away
Angel flyin' with my heart

Mystery surrounds her, she's the moonlight in the daylight, ain
