

Baby Please Come Home

David Pajo

Girl it's clear that you didn't want me
Girl well it took a little time to see
You said that you adored me
But your actions would betray
If you didn't want me
Why not come out and say
Girl you left when I needed you most
Girl I nearly gave up the ghost
Admit mistakes confusion brought
I nearly lost my mind
Got so messed up I'm sorry I
Didn't mean to be unkind
I want you around I miss you still
I need your honesty be sworn to me
We can do it if we want it to be
Girl my love can't be denied
Girl guess I'll have to say goodbye
Pining for a family
The one we never had
Not blaming I'm just saying that
The whole thing's rather said
I want you around I miss you still
I need your honesty be sworn to me
We can do it if we want it to be
O baby please come home
I'll take you back in arms
Why can't you see
That we were meant to be
There is tea on the stove
There is food in the fridge
And the bed is warm
O baby please come home
