

Many Splendored Thing

David Pajo

Love is a many splendored thing
When your heart is ready
You may hear it sing
Love is a many splendored thing
I live my life on the road
The view is never changing
Just the viewer's mode
I live my life on the road
She is a dream of the sea
In that perfect water
I have never been so free
She is a dream of the sea
Love is a many splendored thing
Both of us together
Listen to it sing
Love is a many splendored thing
