

# Break Free

David Phelps

Forget what you've heard about Jesus  
If it doesn't begin and end with love  
Did you know that you are the reason  
He decided that He had to come?  
He doesn't care about what's in your past  
So whatever it is that's holding you back

Break free, break free  
Loose the chains that have held you tight  
Break free, break free  
Cleanse all your shame in love's healing tide  
Of mercy, sweet mercy, break free

There is no law that can save us  
No way to find redemption on our own  
Cause Jesus stepped in and forgave us  
So no one has the right to throw a stone  
Release the guilt you've been holding inside  
Step out of the darkness and into the light

Break free, break free  
Loose the chains that have held you tight  
Break free, break free  
Cleanse all your shame in love's healing tide  
Of mercy, sweet mercy, break free

There is a pardon when all hope is gone  
And freedom from everything you've wrong

Break free, break free  
Loose the chains that have held you tight  
Break free, break free  
Cleanse all your shame in love's healing tide  
Of mercy, sweet, sweet, sweet mercy, break free, break free, break free

Break free from the chains that bind you  
Break free, leave them all behind you  
Break free, let the love of Jesus find you

Break free from the chains that bind you  
Break free, leave them all behind you  
Break free, let the love of Jesus find you

Break free from the chains that bind you  
Break free, leave them all behind you  
Break free, let the love of Jesus find you
