

Tell Me

David Pomeranz

Every night, and I can't help but cry
and I wonder why you have to leave me
why did it have to end so soon
when you said that you would never leave me
ohhh tell me
where did I go wrong
what did I do to make you change your mind completely
when I thought this love would never end
if this love was not ours to have
I'll let it go with your good bye
ohhh why did it have to end so soon
when you said that you would never leave me
ohhh tell me
where did I go wrong
what did I do to make you change your mind completely
when I thought this love would never end
if this love was not ours to have
I'll let it go with your good bye
