

Put A Little Love In Your Heart

David Ruffin

Think of your fellow man, lend him a helping hand.
Put a little love in your heart.
You see it's getting late, oh, please don't hesitate,
Put a little love in to your heart.

And the world will be a better place.
And the world will be a better place,
For you and just for me, you just wait and see.

Another day goes by, still the children cry.
Put a little love in to your heart.
If you want the world to know we won't let hatred grow,
Put a little love in to your heart.

And the world (and the world) will be a better place.
All the world (all the world) will be a better place,
For you (for you), and me (and me).
You just wait (just wait) and see, wait and see.

Take a good look around and if you're looking down,
Put a little love in to your heart.
I hope when you decide, kindness will be your guide.
Put a little love in to your heart.

And the world (and the world) will be a better place.
And the world (and the world) will be a better place.
For you (for you), and me (and me).
You just wait (just wait) and see.

People, now put a little love into your heart.
