

## Late Night Shopping

David Sylvian

Ask me I might go  
Why not take me with you?  
Ask me I might go  
Late night shopping  
We can take the car  
No one will be watching  
We can lose ourselves  
Late night shopping  
Tell me what we need  
Write a list or something  
We don't need to need a thing  
Late night shopping
