If You Tolerate This Your Children Will Be Next

David Usher

The future teaches you to be alone The present to be afraid and cold So if I can shoot rabbits Then I can shoot fascists

Bullets for your brain today But we'll forget it all again Monuments put from pen to paper Turns me into a gutless wonder

And if you tolerate this Then your children will be next And if you tolerate this Then your children will be next Will be next Will be next Will be next

Gravity keeps my head down Or is it maybe shame At being so young And being so vain

Holes in your head today But I'm a pacifist I've walked las ramblas But not with real intent

And if you tolerate this Then your children will be next And if you tolerate this Then your children will be next Will be next Will be next Will be next Will be next

And on the street tonight an old man plays With newspaper cuttings of his glory days

And if you tolerate this Then your children will be next And if you tolerate thisThen your children will be next

And if you tolerate this Then your children will be next And if you tolerate this Then your children will be next Will be next Will be next Will be next

And on the street tonight an old man plays With newspaper cuttings of his glory days
