

# How Far We've Come

Dawes

Stars, please shine the way for me  
Show the one that I have followed  
To see how far I've come

Sun that slowly sets on me  
Be the same to rise tomorrow  
To see how far I've come

These are the days we swore upon  
So barman keep the TV on  
To see how far we've come

Peak to peak and shore to shore  
This is all love was ever for  
Is to see how far we've come

California's greenest parts  
I reach out for my brother  
To see how far he's come

For the girl that came to break my heart  
I call on her new lover  
To see how far she's come

Why your mother keeps a record of her child's height  
Why we all are here tonight  
Is to see how far we've come

The only point of clocks and maps  
The only point of looking back  
Is to see how far we've come

Ooh, ooh, oh, oh, oh, ooh, ooh  
Ooh, ooh, ooh, ooh, oh, oh  
Ooh, ooh, oh, oh, oh, ooh, ooh  
Ooh, ooh, ooh, ooh, oh, oh

Stars, please shine the way for me  
Show the one that I have followed  
To see how far I've come

And sun that slowly sets on me  
Be the same to rise tomorrow  
To see how far I've come
