

## Cashew/161644

Dawid Podsiadło

I'm awake but I'm still in bed  
I like to play pretend  
I have still got your smile  
On my forehead  
Though you're been up since 9

Wanna cry it all seems endless to me  
Wanna stop the time oh  
Lighten up my heart's not going anywhere  
wanna stop the world oh
