

# Goodnight

Dawid Podsiadło

I was doing  
I couldn't save you from  
the darkness  
I didn't see  
I couldn't bring  
I didn't find it  
Rippin my guilt  
I saw you lost and confused  
I couldn't be  
someone to take you somewhere else

Why won't you stay in light  
Ohoh  
Right next to me  
Why won't you stay in light  
Ohoh  
Right next to me

Another day  
Another second  
Another night  
There in the dark  
Another's bagging for som light

Why won't you stay in light  
Ohoh  
Right next to me  
Why won't you stay in light  
Ohoh  
Right next to me  
Why won't you stay in light  
Ohoh  
Right next to me  
Why won't you stay in light  
Ohoh  
Right next to me
