

Portrait Of Homicide

Dawn of Ashes

I'll rip the heart out and let you bleed.
Drained blood from the severed throat.
It's homicide, display the corpse.
Seduce the sick mind... With murder.

Punished...
Punished... Painted with blood.
Punished...
Punished... Painted with blood.

I'll rip your tongue out, forced to bleed.
Black hearted... feed to the demons.
Deadly killer... Only evil.
Seduce the sick mind... Motherfuckers.
