

# Misunderstood

## Dawn of Destiny

Touch my hand  
and feel the warmth.  
I'll be always there for you.  
Lay your head on my shoulder.  
I will calm you, comfort you.  
I know your feelings.  
I see your fears.  
Will offer my helping hands.

See no solution  
and no conclusion.  
Stay by me this time.  
The pain you're feeling.  
I try to ease it.  
I give all that I've got  
and don't expect nothing.  
As long as I can fight.  
I fight these wars for you.

But in the depth of your eyes I see doubts.  
You don't believe in all the words that I say.

Why do you reject my aid  
and no do not trust in me?  
Oh It seems that I am misunderstood.  
Am I wrong?

Oh, what have I done so wrong?  
I still try to be that strong.  
What is wrong with this world?  
I can no longer comprehend what's going on.  
Should I leave you on your own  
Without a helping hand?

Only words of nothingness  
can't reach a rotten heart.

And in the depth of your I see doubts.  
You don't believe in all the words that I say.

Why do you reject my aid...

I am misunderstood.  
I am misunderstood.

I feel so lost and lonely.  
I am alone without you.  
Please take a look into my world.  
This world ain't a place for a good soul to stay.  
My heart is a place where the sun never shines.

Why do you reject my aid...

I am misunderstood.  
I am misunderstood.

Why do you reject my aid?

No, I don't believe in fate.  
I'm misunderstood.  
I feel so lost and lonely.  
I am alone without you.  
Please take a look into my world.
