

# Praying to the World

Dawn of Destiny

I hate this world  
For it left me all alone  
There are no more feelings  
Inside of me

I can no more longer pretend  
That everything is fine  
I lose my sanity  
Running into a dead end street

Fire in his heart and  
His soul is tearing itself apart  
Don't know what to do now  
He hates himself for too long now

Another rainy morning  
My feet won't carry me out of bed  
Another wasted day  
Like all the other days of my life

They will not listen to him  
When he tries to speak  
They only beat me up  
Yes, this is my life

He prays to the world once more  
Leave me all alone this time  
Sometimes he wants no one  
To see the extent of my misery

Still he feels so helpless  
The pain inside is growing stronger  
These four walls around him  
Have never been a place called home

Do you imagine my feelings?  
When I realise I'm loved by no one  
What should I do now?  
Revenge and hate inside my mind

I do not think about you  
As you did not about me  
I won't regret  
For neither you have done as well

He prays to the world once more  
Leave me all alone this time  
Sometimes he wants no one  
To see the extent of my misery

Oh, at night  
The devil talks to him  
He is the only one  
Knowing what he feels

They hurt you without regret  
Go out now, you know what to do

And I killed them without emotions  
Somehow so weird, the pain is still there

Just give me one moment of salvation

Now he lays to rest  
His work is done, the pain's remaining  
Only one solution  
A letter leads to his destiny

Will the world remember now  
The one that no one ever knew?  
I wish you all the ache  
That I have felt for so long in my life

The devil was right, the devil was right  
Telling me the truth  
And I've to feel salvation now

He prays to the world once more  
Leave me all alone this time  
Sometimes he wants no one  
To see the extent of my misery
