

Baptize

Dawn Richard

I don't want to be without you
Only one to stand beside you
I don't care who came before me
Holy water cures all envy

But boy I can only fall deeper in with you
So please be forgiving let me baptize you

Water coming down like (Ooh)
Water coming down like (Ooh)
Water coming down like (Ooh)
Water coming down like (Ooh)

With the power I surrender
Come it's time to go out singing
Don't be frightened by the thunder
Let the water wash all over

But boy I can only fall deeper in with you (You)
So please be forgiving let me baptize you (Ooh)
Oh boy, I can only fall deeper in with you (Ooh)
So please be forgiving let me baptize you

Water coming down like (Ooh)
Water coming down like (Ooh)
Water coming down like (Ooh)
Water coming down like (Ooh)

Water, let me come and baptize you, ooh
Water, let me come and baptize you, baby
Water, let me come and baptize you, ooh
Water, let me come and baptize you
