

Break Of Dawn

Dawn Richard

Oh you, oh oh
Oh you
You, oh oh

Yeah, yeah, yeah, yeah, oh, oh
Oh, oh, oh, oh, oh, oh

You push me off top of a building
To see if I was made of glass, yeah
You push your lies and doubts upon me
So you can have the upper hand, yeah
Because of you I nearly lost myself
My heart was blind, your love was hell
I couldn't find my way up out the dark, no
Til I realized I was my help
I found my light I told myself
You'll never crush me, no matter how hard
And never be the break of dawn

You, oh, oh,
You'll never ever see the break of dawn
Hearts will just sing it one time, yeah, yeah
You, oh, oh,
No matter what you do, baby you won't,
Never see the break of dawn

You try to run me into the pavement
You said I never had a chance
Oh, oh, oh you tried to tear me up well right now it's payback
You trying to take away everything I have, oh baby no
Because of you I nearly lost my mind
I never took a risk, was scared to fly
I couldn't find my way up out the dark oh, oh!
Till I realized I was my light
Told myself gonna be alright
You're never gonna break this open heart

You'll never be a break of dawn
You, oh, oh,
You'll never ever ever see the break of dawn
Hearts will just sing it one time
You, oh, oh,
No matter what you do, baby you won't
Never see the break of dawn
You, oh, oh,
I can't stand it, I can't fight it
You'll never ever see the break of dawn
Put your hands in the air if you feel me, hearts just sing
You, oh, oh, yeah yeah
You better what you do, baby you won't
You'll never see the break of dawn

Put your arms up in the sky, yeah
Holding hearts unite
Yeah, yeah you'll never see the break of dawn (you'll never see the break of dawn)
Lost in the darkest night

Know there's a silver light, yeah (there's a silver light, yeah)
You'll never see it
Oh so you feel me, can you say it?
They can't bring us down
You, oh, oh,
Hearts won't you sing me one time
You, oh, oh, yeah yeah
No matter what you do, baby you won't take it, break (You, oh oh)
I won't breathe
No baby, no, no, no
There won't be a, no, no, baby no no
You, oh, oh,
No baby, no oh
This gonna be, this gonna be yeah
There won't be a break of dawn

You, oh, oh,
You, oh, oh,
You, oh, oh,
You, oh, oh,
You, oh, oh,
Oh oh
You, oh, oh
