

Calypso

Dawn Richard

My heart beat is the calypso drum
When you Clap for me
I hear Bum Bum Bum
And if you care for me
Don't stop till I'm numb
Cause I Live This type of inner satisfaction

I been waiting
No Running

Been Waiting for the light to start flashing
So I could give your hands a reason to start raisin
So if you care for me
Don't stop till its Done
Cause I live for this type of shit slow motion

Slow Motion [x3]

I been waiting for this feeling
I been waiting so LONG
Been waiting for this feeling
They couldn't have been so wrong

Bum Bum Bum
Like the Calypso Drum
We are like the Calypso Drum
Our hearts go Bum
